**NEW BUSINESS:**

Discussion about Old National Pike Road Closure:

As of Thursday, July 11, 2018 Old National Pike collapsed from the slip near Township garage. The road crew worked over the weekend and had the road opened by Sunday afternoon. This road closure has brought up the fact that the township may need some additional equipment and it was suggested that a must have list and wish list of equipment be submitted to the Supervisors for review. Our materials have been depleted over this fix so stone is to be ordered from the bid that we have with the county.
